

Avusy 10 Zurich 43

Match Report by USA's Justin "Go Yankees" Besterman.

The game started with the away side forcing a turnover from the Zurich franchise. A home Defensive Lineman then conceded a personal foul with the veteran Avusy placekicker successfully converting the Field Goal.

The home franchise then pulled out all the stops to try to make it into the end zone and one awesome play was only thwarted by a fumble from former No.1 Draft Choice Peter.

The second quarter started with a strong offensive move from Zurich which resulted in the first touchdown to the home franchise with open receiver Callaghan completing an awesome pass rush play. The extra point was successful from placekicker Nicholas.

Justin hopes Zurich will be as successful as his beloved Yankees

More Zurich offence followed after a well called Blitz defensive play which resulted in another home team touch down from 8-man Tati after an awesome pass fake. The game now had a 9 point spread.

This upset the Avusy franchise who brought on a specialized enforcer to Rough the Passer. Solorzano from the home franchise fell for this ploy and, along with the enforcer, was suspended from the game for 10 minutes.

More bump and run plays from the on form 8-man resulted in excellent field position only for the Avusy defence to hold firm and not allow another breach of their end zone.

End of 2nd Quarter Avusy 3 Zurich 12

The third quarter started with the realization that as Zurich were looking at a comfortable victory against the defenceless Avusy that this correspondent's version would now be the history of record.

USA's very own Josh B Joranson scored 3000 touchdowns followed by Jersey's Besterman, in his final game for the franchise, scoring a further 4000 TDs. Zurich showed fantastic goodwill by also helping the Axes of Avusy remove their tyrannical coach Jacques Strape and replace him with the sympathetic good ole boy Seymour Butz III. Seymour stated that his new team had never felt as liberated and welcomed the ruggerbball lesson being dealt out by the friendly Zurich franchise.

The final quarter of the game saw the Avusy linebacker No.3 sent off for roughing and then dramatically reinstated after the Zurich franchise did the same (thus not making it an official breach of the rules).

Further touch downs were added by (ranked in order of country importance): Peter (US), Lawry (Aus), Felix (Ger) and Tati x 2 (Arg). A Solorzano touchdown has been erased from the record as he is from Venezuela.
