

Valkyries play in Yverdon

ZH Ladies 31 - 0 Yverdon ladies,

April 2007

On a sunny Sunday the Zurich Valkyries drove westwards to Yverdon for the first match of the season (well, technically the last match of last season).

Our bodies were (more or less) ready, and our heads full of tips, tactics and tuition we'd gained through the winter from our coach Vroni. Yverdon certainly have some speed, as the two runaway-try-scorers discovered. They also have a lot of strength and quick reactions to pick up the (many) loose balls.

On our part, we showed some skill and played some very good moves, which were rewarded by tries. However we clearly have some things we can work on in the coming weeks. In the end, with a try from Hannah, Petra, Rahel, 2 from Caro and 3 conversions, the score was 31-0. Evi and Catherine played a half each for Yverdon and we thank you for this (although I think you enjoyed tackling us really!).

A successful, but instructive start for this season.
